

Dear Coach,

You are encouraged to attend the “FCPGA Offensive line - Tight Ends Run Blocking Teaching Methods” Clinic, March 5 - 6, 2010 at Poway High School in Poway, California (North San Diego County).

The controlling purpose of the clinic is to expose you to innovative, creative and fundamentally sound run blocking teaching progressions from shorts into pads, for offensive linemen and tight ends.

Our time together will consist of lecture, graphics, video study, on the field demonstration, and coaches participation “walk thru” sessions.

This is a “hands on” clinic so have your coaches attend in coaching wear.

If you have any questions, feel free to call me at (858) 748-7566

Cordially,

*Bill*
